Gentlemen please execute the following bids at sale monday July 22nd 1901

Lot # 3244 ✓ 3 cents each
" " 117 ✓ 10 " "

I wrote to you after I received catalogue asking your opinion on the price of several lots but as I did not receive any answer I had to guess at the price as near as I could. I would very much like to buy lot # 341 but ~~not~~ if I did I could not buy either of above I presume that this lot will go higher than 6 or 7 cents a pnd which is all that I could ~~not~~ pay at present as I have not been getting very much coin of the realm at present I hope you will get some of these lots for me as I want to get a few just to keep adding a little to what I have

Yours respectfully

Gentlemen

I recived your letter in regard to Specimens of U S cents in proor condition and asking me to name the price I would be willing to pay I have not bought very many coins except from your firm and what I have picked up around the town I live in of course I did not pay anything like the real value for any that I bought around here and I can form no idea of what you value such coins at however if you could send me a price on the following specimens I dont doubt but you could sell

me some of them I want 1793. 1794
1797. 1799. 1804. 1808. 1803.
I bought some small cents at the last
Auction sale you had and I dont
need ether 1871. or 1877 as I secured
them at that time. I have in my
possession a number of coins
marked Republica Dominicana on one side
the figures 1/4 and date on the other
some are poor and some fair other
good are the worth anything particular
I have about 150 pieces and I dont
want so many of them. The dates I have
mentioned are U.S cents and in the
condition that you spoke of in your
letter. The Dominican coins are
dated 1846-1848

Yours Respectfully

Gentlemen yours in regard to lot 1782 at next sale received and would say that two dollars and fifty cents would be my limit as I am pretty sure I can get same thing by sending over to the other side where I have seen some of them Would like to have you let me know how I stand with you now. I received a lot and one coin on approval the other day and the amount is three dollars now I think I am credited with two seventy five on your books making twenty five cents I owe

Will forward to you as soon as I find out if that is correct

yours respectfully
